Re: Staging Area

Dear Mr. Gray,

Please let this letter serve as authorization for CenterPoint Energy to use the closed runway, 07-25, on the north end of Scholes International Airport as a post-hurricane staging area as approved by City Council on September 26, 1996.

Should you require any additional information, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Hud N. Hopkins". The signature is stylized with a large loop and a long horizontal stroke extending to the right.
